AT ITS MEETING, THE STUDENT UNION BOARD MADE THE FOLLOWING DECISIONS:

- The board confirmed the agenda of the meeting (Appendix 4) after adding participation in a demonstration organised by HYY as new item 9 and participation in Helsinki Pride as a new item 10.
- The Board decided to give the statement attached as Appendix 5 *Another case of harassment in the arts: TaiYo calls for support for victims and active action from those in positions of power.*

  The Board noted that further comments will be prepared on the matter and discussions will continue.
- The Board decided that TaiYo will participate in the students' Independence Day torchlight procession in 2024.
- The Board decided to grant the right to use the Student Union's ribbon to Marjo Kaartinen, Vice Rector for Education at Uniarts Helsinki, as a thank you for her significant contribution to the Student Union and the entire University of the Arts Helsinki's students and their well-being.
- The Board decided to note the feedback discussion held for spring 2024.
- Board decided to cooperate with HYY and that TaiYo will participate in a demonstration organised by HYY concerning the situation and livelihood of students.
- Board decided that TaiYo's members are encouraged to participate in Pride and support the cause through communication.
- The Board decided to note the following:
    - Juntunen attended the WSC's spring meeting. TaiYo apparently had not paid the membership fee because the invoice had never been sent. There was a lot of meeting technical hassle and eventually the spring meeting was cancelled. A new meeting is coming up in August.
    - Koiranen and Grünthal participated in Uniarts summer seminar 30.5.
    - Manta Karonkka 31.5.
    - Vuorinen and Koiranen meet Dean of the Academy of Fine Arts Leevi Haapala.
    - Koiranen will participate in the City of Helsinki's cultural seminar next week.
